Curtain falls on yet another eventful year here at SGNPS and it's time for us to reflect, work on the projects we had started and humble ourselves for all our success.

Sgnps has yet again succeeded in providing the students with a meticulously and carefully planned mix of academic and extracurriculars, through which all the SGNPians have proved yet again that it's not just studies that we excelled but in whatever we chose to do.

The constant encouragement and involvement from the teaching and non teaching staff has been the strong catalyst on which our students have built up their success. My blessings and advice for those who are still pursuing their dreams here, is to charge on. And for all those students who wish to make this campus their second home, I say welcome, and claim your place in the sun.

S. Jagit Singh Soni

Satisfied with school's performance. My daughter and son are attending Sri Guru Nanak public School since 2015. I am very thankful to the school. I have found that this is the only school in Ramgarh which has done many activities during this pandemic. During this pandemic there is only one difference between online and offline class and that is we can see the teacher face to face.
